## Discovery Planograms

**Discovery Planograms for the 2024 season:**

- Lighting - Convenience (16'), Core (20'), Super (28')
- Clips and Hardware - Convenience/Core/Super (4')
- Greenery - Core (8'), Super (12')
- Halloween Essential - Core (4')
- **ALL planograms must be ordered through Event Planner**
- POG facings & quantities represent the average store's unit sales during weeks 47, 48, 49 therefore **additional quantities will be needed** to support your entire season and the promotional plan
- POGs are meant to be a starting point to set your store and determine season long quantity needs

## Program Ordering

- Program offerings are available to order via Event Planner and/or the new Pre-Seasons Planner. (Full planograms, assortments, & contained units must still be ordered through Event Planner)
- Utilize the Pre-Season Planner to determine
- To order POGs, order a qty of 1 for the POG bulletin number and then add additional quantities at the individual item level OR review the Pre Season planner for your recommendations based on the POG you're mapped to
- Utilize the Pre-Season Planner to determine order quantities based on your store's sales history and current inventory position.

**All promo & full seasonal order quantities need to be committed during the January 3rd to January 31st ordering window**

## Bulletins & Ship Dates

- Halloween/Harvest are only offered on the 8/15 ship date to store, and orders must be placed through Event Planner by 1/31
- POGs, assortments, & contained units are only offered on the 9/1 ship date and are due in Event Planner by 1/31
- Choose either a 9/1 or a 10/1 ship date for all Christmas related items
